Subject: Request for CICs to go to New Mexico tomorrow for a week - Animas River area - NEED APPROVAL FROM SUPERVISOR

Hi, Everyone,

I have received a request from Region EOC in regards to the Animas River and the contamination that has occurred. Request is for people to be Community Liaisons out in the

community. Deployment is tomorrow for a week deployment (minimum). You must have either the 24-hour HAZWOPER, 40-HOUR HAZWOPER and/or medical monitoring.

If you are interested, you must talk to supervisor first and please have your supervisor contact me.

Mary Kemp, Chief
